Leaving Certificate Examination, 2024

Design & Communication Graphics

Higher Level

Section A (60 marks)

Thursday, 20 June
Morning, 9:30 - 12:30

Centre No.

This examination has three sections:

Section A	Core - Short Questions
Section B	Core - Long Questions
Section C	Applied Graphics - Long Questions

Section A

- Four questions are presented.
- Answer **any three** questions on the A3 sheet overleaf.
- All questions in Section A carry **20 marks** each.

General Instructions:

- Construction lines must be shown on all solutions.
- Write the question number distinctly on the answer paper in Sections B and C.
- Work on one side of the drawing paper only.
- All dimensions are given in metres or millimetres.
- Write your Examination number in the box below and on all other sheets used.

Examination Number

The 2024 examination papers were adjusted to compensate for disruptions to learning due to COVID-19. This examination paper does not necessarily reflect the same structure and format as the examination papers of past or subsequent years.

Section A - Core - Answer **any three** of the questions on this A3 sheet.

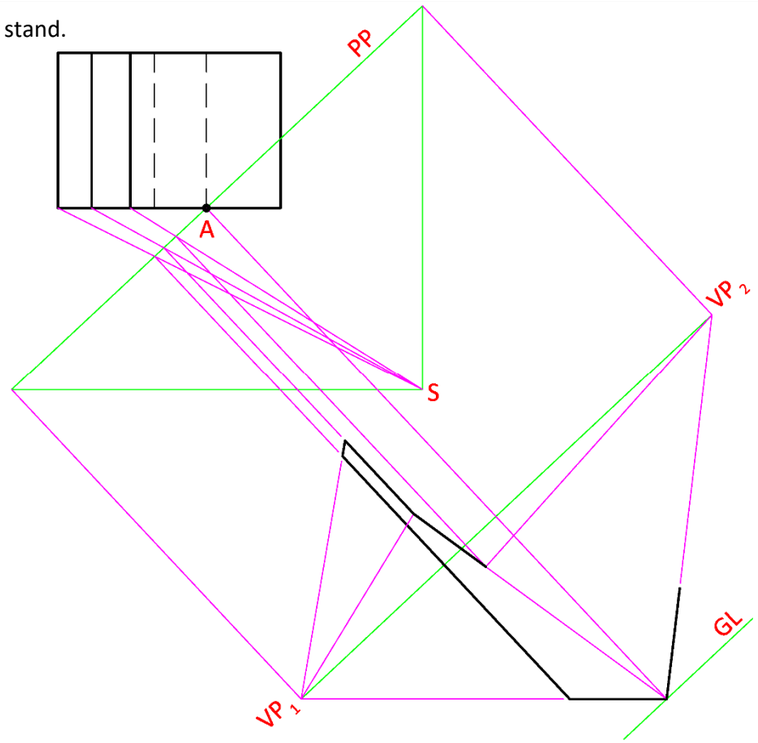

A-1. The image below shows a Lotto play stand.

The drawing on the right shows the plan and partially completed perspective view of a similar stand. The picture plane passes through corner **A** on the base of the stand.

(a) Complete the perspective drawing of the stand.

(b) Determine and indicate the overall height of the stand.

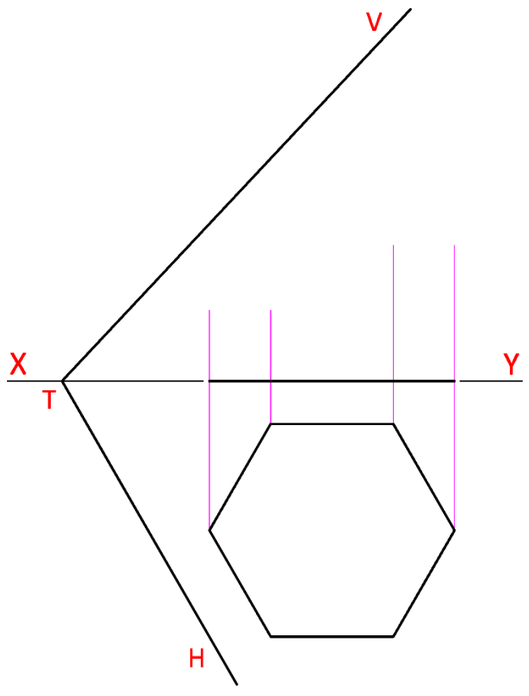

A-2. The image below shows a ring display stand.

The drawing on the right shows the plan and incomplete elevation of the display stand. The top surface of the stand is contained on the oblique plane **VTH**.

(a) Complete the elevation of the display stand, including all hidden detail.

(b) Determine and indicate the angle of inclination of the top surface of the display stand to the horizontal plane.

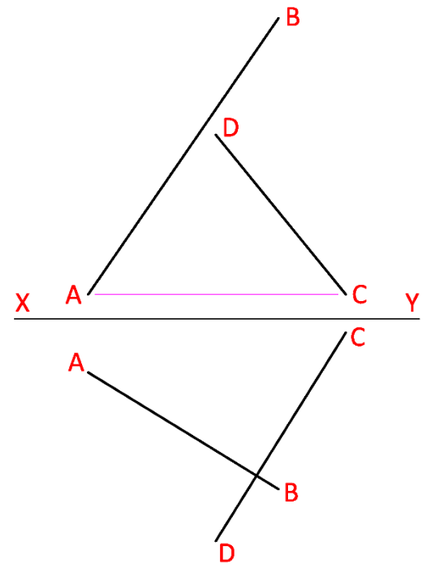

A-3. The image below shows two lightsabers from the Star Wars movie series.

The lightsabers are represented by the two skew lines **AB** and **CD** on the right.

(a) Determine the projections of the shortest horizontal line between the skew lines.

(b) Determine and indicate the true length between the points **A** and **C**.

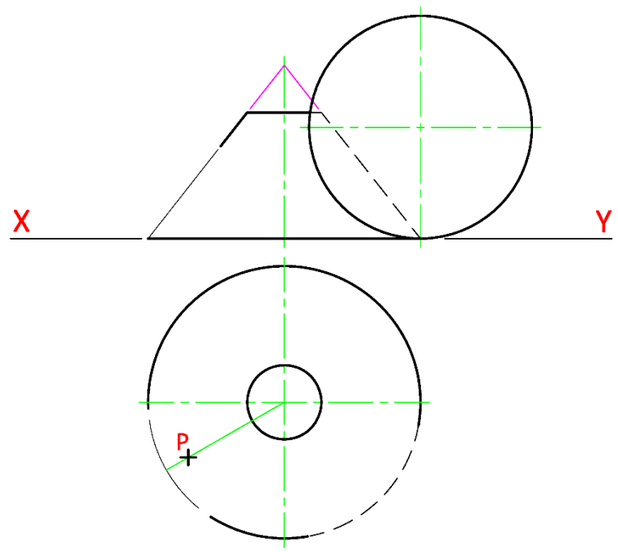

A-4. The image below shows a sports cone and a football.

The drawing on the right shows the elevation and incomplete plan of a similar sports cone and football in contact with each other.

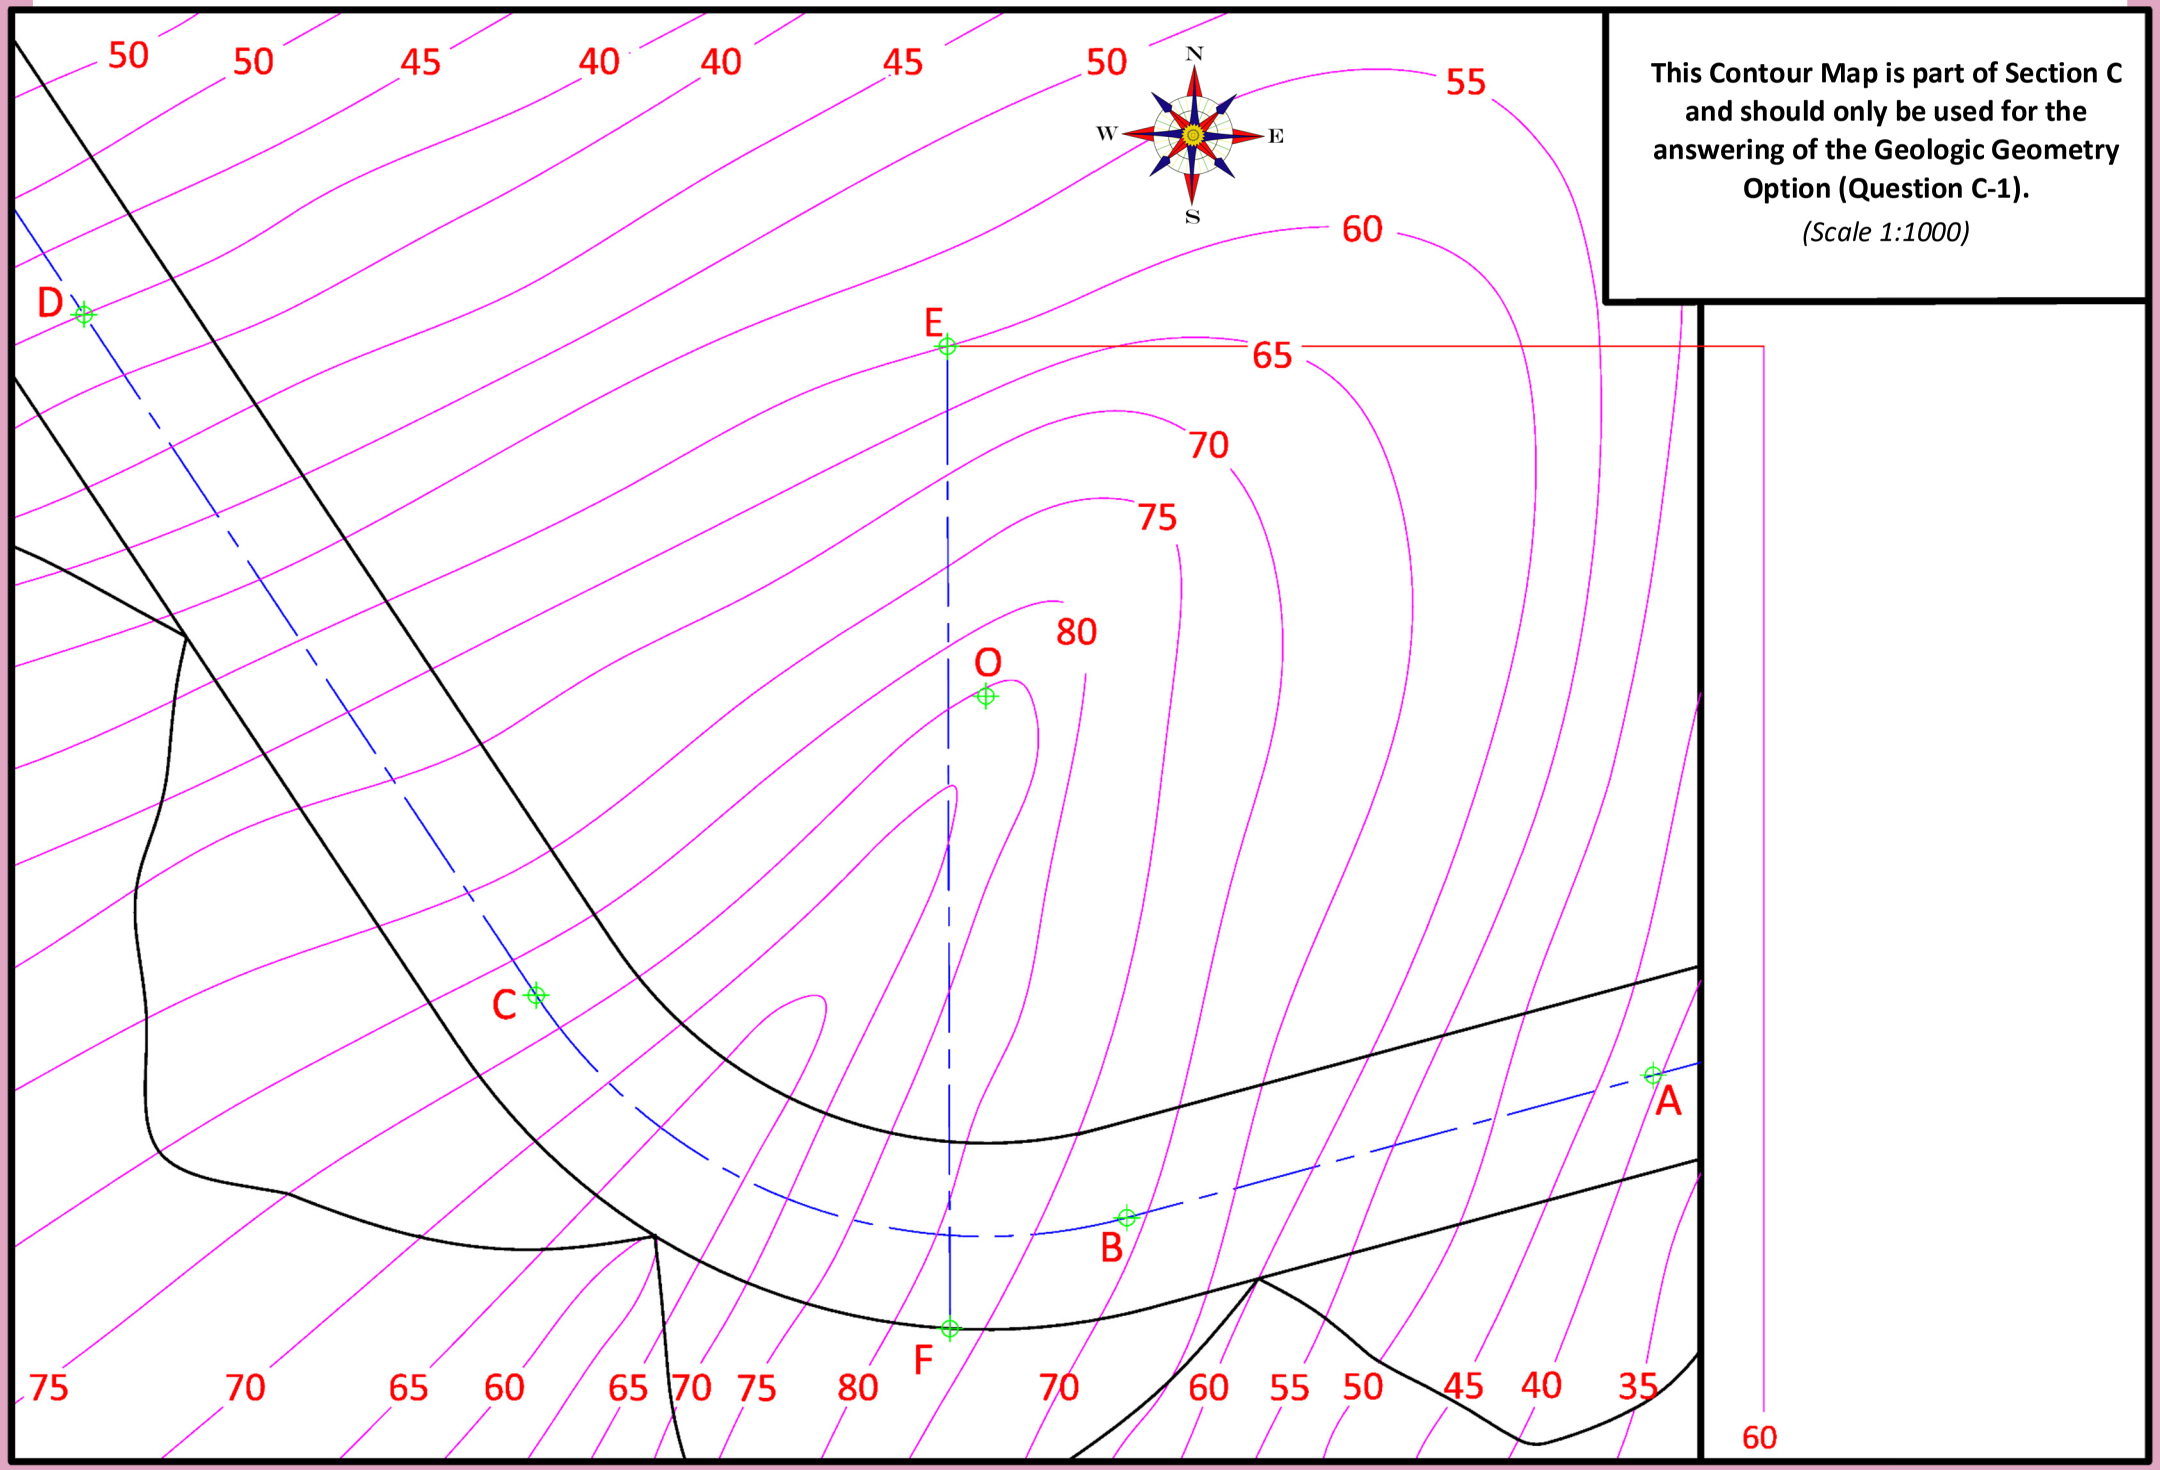

(a) Complete the plan of the solids in contact.

(b) Draw the plan and elevation of another sphere, which shall be in contact with the cone at point **P** and rest on the horizontal plane.

This examination paper must be returned at the end of the examination – You must include your Examination Number on the front cover.

This Contour Map is part of Section C and should only be used for the answering of the Geologic Geometry Option (Question C-1).
